D20 INTERCHANGEABLE BATTERY SYSTEM ALLOWS YOU TO COMBINE THE SAME BATTERY / BATTERIES WITH ANY OF THE TOOLS IN THE D20 SERIES

The D20 series is a highly versatile array of cordless tools – all powered by the same 20V Lithium-ion battery and charger. This allows you to expand your tool collection without having to pay for a new battery and charger every time. Helping you save money, the environment and storage space.

You can buy D20 tools bare, complete with battery/batteries and charger or as a kit with everything you need in a case or tool bag. There is also a wide range of D20 battery sizes and chargers too, making sure you have the power when you need it.

And it is an ever-expanding range of power tools. Choose anything from combi drills, mitre saws to power washers – all matching the power and performance needed for medium trade use and by experienced DIY enthusiasts.

D20 FOR EVERY TASK

Whether it's drilling, sanding or cutting branches down, there is a D20 power tool equipped for the challenge.

BRUSHLESS MOTORS

Efficient run-time, power and performance.

PACKS A PUNCH

Powerful 20V cordless power tools offering plenty of torque.

WHY YOU SHOULD INVEST IN THE D20 INTERCHANGEABLE BATTERY SYSTEM

The D20 series provides the versatility needed to get any job done. It is an ever-expanding range of cordless power tools that are all powered by the same 20V Lithium-ion battery and charger. Whatever the task – there is a D20 power tool equipped for the challenge.

COMFORTABLE TO USE

The ergonomic soft grip makes D20 great to handle and use for long periods.

FAST OR SLOW?

Responsive variable speed control for adjusting the motor speed according to the task.

GUIDING LIGHT

The LED worklight is ultra-bright and it stays on for several seconds after you turn-off.

KNOW YOUR CHARGE

There are easy-to-read charge level LED indicators on every D20 battery.

CHOICE OF BATTERIES & CHARGERS

There are four D20 batteries (2.0, 3.0, 4.0 and 5.0Ah) and standard, fast, twin and in-car chargers to choose from.

OVER 50 TOOLS AND GROWING

Also available as
a bare machine
Stock No. 55338

D20 20V Brushless Combi Drill with 1 x 4.0Ah Battery and Fast Charger

Stock No 79894

- Brushless motor
- 23 Torque settings
- Metal keyless chuck
- LED worklight
- Adjustable side handle
and depth rod

Specification

Battery:	D20 20V Li-ion
Impact rate:	29700bpm
No load speed:	0-500rpm
Max. Torque:	60Nm
Chuck capacity:	13mm (1/2")
Drilling capacity wood:	35mm
Drilling capacity steel:	13mm
Supplied in case:	Yes
Weight (bare tool):	1.4kg

IN THE BOX

- 1 x 20V Brushless Combi Drill
- 1 x 4.0Ah Battery
- 1 x Fast Charger

WHAT'S COMING IN 2022

Over 50 tools and growing

The D20 series is ever-expanding, and we have big plans for 2022 and beyond to make this powerful range of tools even more exciting with the help of feedback from our loyal customers. So why don't you expand your range of D20 cordless tools to give you cable free use at work, home and in the garden?

D20 12L Backpack Sprayer

This lightweight garden sprayer can handle watering, feeding, pest control and more. There is no need to pump to build pressure and it comes with three interchangeable spray heads to provide a variety of spray patterns.

D20 Engraver/Grinder

This amazing piece of kit offers multiple uses including polishing, cutting, sanding and grinding – and it comes with 33 useful accessories.

D20

MULTI-TOOL BATTERY SYSTEM

Coming soon

D20 Brushless Jigsaw

The brushless motor delivers efficient performance and a longer run-time while the 4-stage pendulum action provides control of cut quality and speed.

D20 Water Pump

This surface mounting garden pump is capable of lifting water to a maximum of 22 metres and, using the fast mode, will pump up to 2800 litres per hour. It can be used for pond or tank drainage or with a garden spray gun fitted, this pump is a quick and easy way to use rainwater in the garden.
